## VISION:

That every student has access to a dynamic, well-resourced school library run by qualified library staff

School libraries, and the qualified staff who run them, are vital for ensuring that all students are equipped with the research and literacy skills they need throughout their lives.

The ease of access to technology, online sources, and fake news increase the need for a qualified teacher librarian who can teach all students the necessary research, online safety, and information literacy skills, and instill a love of reading.

Unfortunately, not all school libraries are well-resourced, and many parents are not aware of this important issue.

HOW CAN I HELP?

Ask about your child's access to a well-resourced school library and qualified library staff.
